

Silent space

Sound absorbing table screens for an inclusive learning space

Silent pace

This noise-reducing table screen is excellent when there is a need for privacy in a larger group. It helps the student to focus on a task by creating their own silent room within the room. After use, the screen can be hung on the wall, and act as a sound absorber.

C-KEY

The five circular criteria. This product fulfills:

- ✓ Circular design
- ✓ Primarily (in weight) recycled/renewable materials
- ✓ All materials possible to recycle
- ✓ Possibility of refurbishing
- ✓ Different materials have not been permanently joined

Read more about the C-key and circular criteria at lekolar.se
