FOR EDUCATIONAL PURPOSES

# Let's play on equal terms!

Ref. 20839

## CONTENTS:

The game comprises 18 puzzles of two pieces, made from strong, very hard-wearing and high-quality thick cardboard. Dimensions of the puzzles: 17 x 8.5 cm

The material of the cards is eco-friendly, it comes from sustainable forests.

## RECOMMENDED AGE:

From 2 to 5 years.

Because of the number of pieces of the puzzles and the large size of the pieces, these puzzles are particularly suitable for the little hands of children from the age of 2 years.

With children aged 2 and 3 years, accompanying and guiding them with their first puzzles is recommended, until they develop a greater independence in doing them.

## EDUCATIONAL OBJECTIVES:

- To develop observation.
- To promote an inclusive and non-sexist education based on equality.
- To acquire values of respect and tolerance.
- To improve psychomotor coordination and manual dexterity by handling the cards and joining them correctly.
- To develop and expand vocabulary related to the pictures of the puzzles.

## METHOD OF PLAY:

1. Place all the pieces face up.
2. Look for the two pieces of a same puzzle.
3. Once grouped, the puzzle can be assembled.
4. Repeat steps 2 and 3 until all the puzzles are assembled.
5. Describe the activities the girls and boys are doing identically in each puzzle.
